About StrategX

StrategX is a new Canadian-based exploration company on a mission to make discoveries in critical energy metals in northern Canada and contribute towards a sustainable energy economy. The Company’s property portfolio of 5 stand-alone projects is situated on the East Arm of the Great Slave Lake, Northwest Territories and the Melville Peninsula, Nunavut. The Company’s first-mover land position in underexplored regions provides a unique opportunity for investors to be part of multiple discoveries and the creation of new districts hosting metals required in the transition towards green energy.
